Buncombe County Sports Park

Take I-40 West to the Enka/Candler exit. Turn onto Smoky Park Highway towards Enka. Turn right on Acton Circle (just before the McDonald's). At the light, turn left towards Sand Hill School. Entrance to BCSP is on the right. Fields are marked 1-7 on signs at the park.

Note: The Buncombe County Sports Park has 8 permanent fields though #8 is not yet marked with a permanent sign. For this event, we are using a new field #9 which is located at the top of the road on your left just behind the old school building. We are using this as our 6v6 field. This will be identified as field #9.

As you descend the hill, the two top fields (on the right) are Field 1 and 2. Fields 6 and 7 are the first two you see on the left. Fields 3, 4, and 5 are on the far side of the concession stand and restroom pavillion. Field #8 is on up the road behind Field 1 and 2 but we will not be using it this year.
